A Year of Transformations

Differences embraced and individuals celebrated

Every moment at CHAMP tells a story of growth—a participant’s triumphant ride, a parent or caregiver witnessing newfound confidence, a volunteer’s quiet kindness, and a horse’s gentle patience. *With each step, riders and horses bond, opening new worlds.*

CHAMP’s Impact in 2024: Health, Well-Being and Satisfaction

* Parent/ Caregiver completed a validated quality of life inventory (Peds 4.0 Inventory) comparing participants’ well-being during regular participation in CHAMP’s program versus when they did not.

CHAMP is a PATH International-certified, volunteer-driven, donation-based 501(c)(3) nonprofit organization.
